

Visitor days

Each year we run several seasonal Visitor Days here at River Cottage HQ.

Our Visitor Days are a great opportunity for guests to come and explore River Cottage HQ and meet the gang off the telly.

There are always cookery demonstrations and talks from the team and contributors, fun activities for children, as well as a range of food, drink and crafts producers selling their wares.

Our team of chefs put on delicious festival food, often cooked on the barbeque or in our wood fired oven and of course there is always lashings of Stinger beer and local cider, with local musicians playing throughout the day.

So whether you're a first time, or seasoned visitor to these events they are an ideal way to see River Cottage HQ without breaking the bank.

Keep an eye on this page for details of Visitor Days in the coming months.
