

Events at River Cottage

Wedding days

River Cottage HQ is such a fantastic setting for a wedding celebration.

We are based on the Devon/Dorset border in 65 acres of organic farmland.

Our beautifully restored threshing barn, with its oak floor and large windows, is a glorious space at any time of the year, and of course, the River Cottage Kitchen Team never disappoint, cooking up wonderful celebratory dinners, using the very best local produce.

As River Cottage HQ is yours for the day, guests are welcome to wander the gardens and smallholding at their leisure or perhaps relax in our yurt or out in the walled vegetable garden from where we often serve the welcome drinks.

Our traditional threshing barn has a maximum capacity of 64 guests. During the Summer months we are able to accommodate a further 30 guests on our decking under a canvas marquee which is located just outside the threshing barn.

For larger parties we can hire in marquees; a supplement will apply which is priced by requirement.

To get an outline of prices and more information you can [download our brochure by clicking here](#).

Congratulations Mike and Esmè!

Mike and Esmè recently married at St Gregory's Church in Seaton, and had their reception at River Cottage. [Read the article](#)
